

Week of March 30, 2020

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
ART	Paint a picture using a toothbrush	Make ice cubes with water and a few drops of food coloring. Use them to draw with on white paper	Draw a picture, adding words if you like. Mail it to a friend	Cut paper scraps and create a collage	Draw a picture of something you saw today. Use markers to draw that object
PHYSICAL ACTIVITY	Play indoor basketball. Use balled-up socks and throw them into the laundry basket	Take a walk outside and look at the clouds. What shapes are they?	Play "red light, green light" with your family	Do jumping jacks.	Go outside and gather items from nature. Keep them for your science activity
MATH	Sort the Tupperware in your family's cabinet	Count the windows and doors in your house. Talk about how they are alike and different	Interview your family. Ask them if they like pizza. Make a chart of how many yes/no answers you get	Count your jumping jacks while you are jumping. How many can you do?	Count the nature items you brought in. Sort them by shape, size, and color
SCIENCE	Go outside. How have things changed from last week? (temperature, birds, etc) Make a chart of that	Wrap ice cubes with different materials (foil, paper, a sock, etc) Which one melts fastest? Slowest?	Make rainbow crayons. Take the paper off old crayons, break them up. Put them in the sun or oven in cupcake tins to melt into new ones	Bake cookies with your child. Help them do all of the measuring and mixing.	Use items gathered from nature to do a sink/float experiment
LITERACY	Choose a book video that Mrs. Hughes has created. Enjoy the show!	Choose a book video that Mrs. Hughes has created. Enjoy the show!	Choose a book video that Mrs. Hughes has created. Enjoy the show!	Choose a book video that Mrs. Hughes has created. Enjoy the show!	Choose a book video that Mrs. Hughes has created. Enjoy the show!
